“Children are God’s gift to us and how we raise them is our gift to the world”.

It gives me immense pleasure to welcome our chief guest, the invited dignitaries, parents and all who have gathered here on the occasion of the Annual day celebrations of the school. Your presence gives me immense joy and happiness this evening.

Here we stand as a testimony to the faithfulness of God and His promises. This event gives us an opportunity to highlight the achievements accomplished by the school in this academic session 2019- 20.

All students who appeared for the exam 2018-19 also came out in flying colours as in previous years. **Class 12th students also performed their best in the examinations.** I take this opportunity to congratulate all the teachers who toiled behind this success.

All students who appeared for the exam 2018-19 also came out in flying colours as in previous years. 12 students wrote Class XII examination in that special mention for 3 students who secured 100/100 in Informatic practices, 5 students out of 12 got A1 in English, 3 out of 5 students got A1 in Computer Science, 3 students out of 6 got A1 in Mathematics.

36 students wrote Class X examination, 14 students got A1 in English, 14 got A1 in Science, 5 out of 24 got A1 in Malayalam, 9 got A1 in Mathematics. Once again my sincere congrats to all students who appeared for the examination and did their best and staff who helped the school to score cent percent distinction.

We make sure academic system practices are in place to ensure all students get groomed to their best. We have periodic tests and Term examinations as per the CBSE and also monthly tests to make sure children learn daily portions. Activities like read and sign, spelling bee tests, reading periods etc ..enable their better learning.

Character awards are designed to be awarded to the selected child from each class, every month, taking into account of their English speaking, punctuality, discipline, obedience, helping mentality etc.. This helps to emphasize that together with academics character formation is also important. Best class awards are conferred section wise which motivates children to keep class clean, disciplined and to do their class notice boards.

Trustworthy, Energetic, able, cheerful, hardworking ,enthusiastic teachers are our real assets. "Teachers are also Learners" staying updated is the key to success in any field, especially in education. Our teachers constantly strive to stay updated by attending training programmes. Every year we conduct 5 day workshop for our teachers. In connection with this, CBSE Centre of Excellence conducted a training schedule for our teachers in May. Dr. Lakshmi Haridas, Mrs. Malini Venugopal, Dr. Dinesh Babu were the resource persons for these days from CBSE.

World environment day was celebrated on June 5th by giving an in depth awareness of the importance of preservation of the nature and its resources in a special assembly followed by the oath taken by the students to contribute to the protection of nature, Yoga day was celebrated by Class XI students by taking Oath and performing implicit Yoga in the assembly sessions. Students also performed a Skit on the topic "Beat Air Pollution" as a part of Environment day celebration.

KG classes began on June 12th with vibrant ever lively kindergarten children. Blossoms day was made exciting with the performance of the KG and Class I students. They made the first day of the new comers.

Parents orientation programmes of the year 2019 -20 were conducted by an eminent Doctor and Counsellor Dr. Harikumar R. Glad that almost all parents attended the sessions.

The tableau performed by Class XII students during the special assembly on the anti – drugs day on the topic "Effects of drugs in society" was impressive. ICPF – a social

organization also conducted a seminar on Anti – drug. They also presented a play “ Arinjoariyatheyo” was very effective and an eye opener to the ill effects of drugs.

Tiny tots enjoyed and celebrated colours day every month. They were literally awaiting the days like Green day, Red day, white day. They wore the respective colour dresses, drew pictures, blew balloons, made masks and they made their day very memorable.

A parent teacher well wisher association is formed, known as the PTWA, an association of parent representatives of all classes , teachers and management is intended to facilitate parental participation in school activities and to encourage and support the student development. Mrs. SerinKurian was elected the PTWA president and Mr. Thampi M J was elected the PTWA Vice president by other parent representatives. .

The school believes in “TOTAL GROWTH THROUGH EDUCATION” and encourages the students to participate in all kinds of extra-curricular activities.

Special efforts were taken for the personality development of students through extempore, debates, daily breakfast shows, presentation of news, thoughts and chances were also given to exhibit any special talents in assemblies.

School also provides chances for its children to master the skills of skating, karate, music, dance, craft, art, also all students from 1 to 5 are taught breathing exercises and 6 upwards are all under mandatory Yoga classes. This helps children for a better self control, self confidence and personality development.

On Mondays, we have very informative and successful presentation of various eminent personalities in various fields by the students. They emphasis on the contributions of each person and a description about the life of the personality with photographs will be presented. It will be exhibited in the school for a week. Personalities like Rosa park, famous mathematician Sakuntala Devi, American Actor, Robert Downey Jr..... were among them.

Friday assembly is a very unique time where the children of various classes take turns to present various skits, tableau and debates. Topics like Respecting elders, Punctuality, Self Control, Discipline, Truthfulness, Greatfulness etc which are very relevant for the daily life were presented in a very creative and innovative manner. A team work of parents and students was an exciting part of the day. Cooking without fire, where they presented dishes without using fire, and Costume designing were parents designed costumes with papers and presented on the stage was really awesome. The creativity of the parents really deserves appreciation. Mr. Basil cine artist and a celebrity chef was the chief guest and the judge for the Cooking competition.

Expo 2019 was conducted on 2nd November which included exhibits in various areas like Science, Maths, Art and Social affairs, languages and craft also. Students exhibited their talents and creativity in their exhibits wonderfully. The best exhibits were also awarded.

In the months of November we arranged Tourprogrammes for classes KG to Sparky's park on the 6th and children also enjoyed ride on the metro too. Classes I to V had a great fun when they spent a day at dream world on the 16th. Classes VI to VIII had fun in wonderland. Classes IX to XI went for a 2 day trip to Chicmangalor and St. Mary's Island. That turned out to be a memorable event in their lives.

Childrens day celebrations were also conducted in an impressive manner. Kg students conducted the assembly followed by pretty Princess and Prince charming competitions. Students were also dressed up as Chachaji, this crated imprints in the minds of kids.

On 16th November, few senior section students attended a class in CIAL convention centre. The class was organized by IMA and dealt on CPR. The students who attended the session also took classes and shared their knowledge they gained from session under the guidance of teachers.

“Change is the end result of all true learning”

Before I conclude,

I express my sincere thanks to our manager Rev. fr. John Puthooran, PTWA members, teaching and non – teaching staff , my dear children for your valuable support. Definitely we stand by the mighty grace of God without which any of these would never come into fruit.

We place 48 students appearing for the board examinations 2019 in the faithful hands of God Almighty. Bless them oh Lord.

The task of modern educator is not to cut down jungles but to irrigate the deserts. With this I conclude the report of St. Thomas Public School for the academic year 2018 - 19.

I thank each and every one of you for your patient listening. Let me once again welcome you all for the Annual Day programmes. "The future of the world is in my classroom today".

Thank You.
